

Rural Community Capacity Building (RCCB) Project**DATA COLLECTION SHEET # 4**

For each asset group, describe what supports are in place to sustain each asset
 For each asset group, describe what threats exist to diminish each asset

ID #	Date	ASSET # 1			ASSET # 2			ASSET # 3			ADDITIONAL COMMENTS
		Asset	Supports	Threats	Asset	Supports	Threats	Asset	Supports	Threats	
1	June 28/06										
2	June 28/06	Lake Simcoe		Any place they use fertilizer; Holland Marsh; fertilizer; cut off the source of it getting in the lake							
3	June 28/06		Participation	Only if the programs & interest is lost in the programs		Fire Department etc	Volunteer participation		Longford Community Centre	If volunteers are not available to run the facility	
4	June 28/06	Longford Community Centre	The township grants; different organizations using the hall & most of all the volunteers	yes, the community losing interest in the programs run and lack of interest from volunteers	Community Policing Service	The township, again, volunteers and the OPP involvement.	Lack of volunteers to work on the committee	Casino Rama	The gamblers; the Ontario Government and 1st Nation involvement.	The deal after 2011; if they can reach one with other bands and the government. The people lose interest in it's allure.	
5	June 28/06	Fire	Municipal government leadership	potential population growth	Police	mutual assistance policy	reliance on departments to provide service when called	Ambulance	central communication system	increasing population in other communities will necessitates increases in equipment & staff	
6	June 28/06	Fire Department		funding; training provincial interference in operation	Police		funding; increased cost to township from OPP (Government)	Ambulance (EMS)		Funding; increased cost to township from county	Fire: Volunteers; low cost of labour; Police: all paid- high labour cost ; Ambulance: all paid; high labour cost
7	June 28/06	Library	Sharing resources; partnerships	Funding	Recreational	sports; soccerfields; volunteers	funding resources; volunteers; lack of space	Township services	fire department; roads/ works dept; police	funding; priority-council	
8	June 28/06	Soccerfields	??? Volunteers	lack of space	Library	partnerships	no	Tim Hortons	???	no, cause it is a strong business	none, kind of confusing
9	June 28/06	Lake Simcoe	Government; politicians; educators	Fertilizers; pollutants; pesticide; boating; salt	Community Centres	volunteers; strong partnerships	Lack of new volunteers; funding				
10	June 28/06	Lagoon City Community Centre & Association	committed individuals	no	Lagoons	government agencies, LCCA, LC parks & waterways	pesticides; fertilizers; farm run-off; weeds	Tennis Courts	nothing - just a small group of people	sinking land; developers	
11	June 28/06	Lagoon City Community Centre & Association	self-sustained by membership & donations	not threatened at this time	Brechin Fire & Rescue	this is an on-going essential service	since it is a municipal service it is paid by our taxes	Soldiers' Memorial Hospital	only the funding from the government & the Foundation	only if the proper funding is not continued	
12	June 28/06	Library	Ramara Centre	lack of funding	Township Services	municipal government; population; taxes	lack of community involvement; lack of population; lack of interest by the Provincial government	Lake Simcoe	Environmental groups; Ministry of the Environment; Conservation Authority	tourists; cottagers; farmers; municipalities	
13	June 28/06	Ramara Centre	the people who use the library who continue to use it will sustain it	if there are not resources to purchase new equipment or replacements	Churches	the people who attend or join the church and/or the decisions they make to keep it running	it would be threatened if funds are not continuing to come into the treasury and if the people go to other places to worship	Lake Simcoe	If people (the public) continue to misuse. The Conservation group need to make us more aware of what we can do to preserve it.	The public who misuse chemicals which enter the lake	

ID #	Date	ASSET # 1		ASSET # 2		ASSET # 3		ADDITIONAL COMMENTS			
		Asset	Supports	Threats	Asset	Supports	Threats				
14	June 28/06	Ramara Centre	Many volunteers, community interest; many people who are interested; needs of people in our area	Lack of interest; smaller membership; communities change as families grow up and children move away							
15	June 28/06		Township support	yes, apathy		concerned citizens	yes, apathy	Township & concerned citizens	Yes, pollution; boaters; fertilizers	I found this sheet a little confusing	
16	June 28/06	Ramara Centre & Library	Township funding	Apathy in future?	Post Office	political support		Business support	future apathy		
17	June 28/06	Casino	self supporting	loss of the operating licence	Hospital		could be the current administration?	Ramara Centre:Library			
18	June 28/06	Ramara Centre	the people	?	Soldiers' Memorial Hospital	the people/provincial funding	?	Lake Simcoe	the people	overbuilding/lack of old infrastructure	Re: Ramara Centre - very good to locate the library in the same space as recreation & social events. Encourages people to explore using the library.
19	June 28/06										
20	June 28/06	Rural feel		development	Lakes	Lake Simcoe Conservation Authority	Pollution; population; lack of government regulations	Native neighbours			
21	June 28/06		Large investments by outside companies	yes, current negotiations between natives & government							
22	June 28/06	Trails	Community is ready for creative partnerships/ raise awareness/ create trails - promote tourism	competing interests with other priorities	Health Unit	75/25 provincial municipal funding; continuing to develop partnerships					
23	June 28/06	Narrows & Lakes	an appreciation of this resource	excess fertilizer creates weeds & eutrication	Rural character/ proximity to cultural activities	an active and talented pool of volunteers	Increased traffic brings noise & pollution	Community groups increasingly using the facility; Library providing more services & programming	Budgeting always threatens library programming & services		
24	June 28/06	Community Centre	A very strong & large volunteer group	It has been closed; threatened by not enough money to fix it	Community Partners	All community service groups are represented at community centre meetings. We have always worked together		Lakes & Rivers	don't know	pollution; overuse	
25	June 28/06	Ramara Centre	users	election; lack of volunteers; interest in general	Lake Simcoe	Community & Government organizations	political change; indifference & economic change	Small business	economic growth	political change; lack of growth	
26	June 28/06	Lake Simcoe	Environmental committees; good management	yes- pollution; pesticides; fertilizers; zebra mussels	Montessori School	many local families who support the school	possible-if another school opened in Orillia & once again did a poor job of providing Montessori education; Orillia is a "small city: with a long memory	Library	Good staff & operator	possible- financial needs not met	
27	June 28/06	Farms		land being sold for economic purposes	Parks		community population	Lakes		population; pollution; acid rain; dumps; land waste	

ID #	Date	ASSET # 1		ASSET # 2		ASSET # 3		ADDITIONAL COMMENTS			
		Asset	Supports	Threats	Asset	Supports	Threats		Asset	Supports	Threats
48	July 5/06		the township strategic plan to recognize such diversity	growth & development		LSRCS; MNR; community groups	growth & development		Council commitment	regionalism of government - local government; budget constraints	
49	July 5/06		provincial funding is in place	lack of new funding formula from province; lack of sufficient numbers of students in schools		supported by congregation-no outside source	churches with small congregations cannot afford to heat & maintain buildings; can't get or afford Ministers		Social groups are usually maintained by membership fees only	if they become too costly	
50	July 5/06	Georgian College	government funding; student employment	lack of enrolment; higher tuition cost	Job Connect	government funding; awareness of the program; marketing	temp agencies; lack of program awareness	Parks & Rec	funding; awareness; advertisement; enrolment	? Lack of interest	
51	July 5/06	Casino/Band	Casino is apparently self-sustaining & sustains band	Legislative changes; gambling non-smoking; 1st Nation identity; integration etc	Simcoe County	also self-sustaining; just the context of the community		Lakes & Rivers	?	pollution etc	
52	July 5/06		need for recreation; volunteer interest; government support	NIMBY's; misunderstanding of how things are done and the goals & purposes		government support both local & outside; volunteer support	funding;		a need of some people to "make a difference & contribute: free-time; availability	affluence; government roadblocks; infrastructure	
53	July 5/06		easy pace; less rushed not frantic	current intergovernmental plan; official plan of township		we are well serviced for education; health; culture; recreation; emergency services; basically could be improved eg. More family doctors	downloading to municipalities	rural not large city	again all planning support local agriculture, quarries regulations	ditto - see pace section	
54	July 5/06	Healthy lakes & rivers	conservation authority; education; IGAP; municipal	development; overuse; tourism; pollution	Schools	volunteers; parents	lack of funding; overpopulation growth; loss of great teachers; volunteer burnout	Ramara Centre	Township; taxes; volunteers	loss of volunteers	
55	July 5/06	Casino Rama	People	Alcohol & Gaming Commission	Library/Ramara Centre	People; funding; partnerships; promotion; volunteers; awareness; transportation	lack of: volunteers; funding; use; #s; community support; transportation & change of prov/municipal priorities	Water - Trent Canal/Lake Simcoe etc		yes-pollution	
56	July 5/06	Casino Rama	good strong native government overseeing effort; govt contracts in place	Govt Ont threatening to not renew license	Library	strong support by council; excellent CEO running operation	funding will always be a problem; needs to be constantly addressed & improved	Lakes & Waters	Govt agencies; strong township council	continued misuse; pollution & ecological damage; more support from township	
57	July 5/06	Lake Simcoe/ Waterways	Government; Lake Simcoe Regional Conservation Authority	Pesticides; development; overuse; over fishing; spawning areas re: development & too much use of fertilizers - overabundance of weeds which chokes & kills the eggs	Ramara Library	People; Government; shared resources; partnerships	Lack of government funding; lack of donations; transportation; lack of volunteers	Farming/ Agriculture	Education; government	development; pollution; global warming	Good meeting!
