

**Ramara Resident Feedback Form**

The Our Ramara FunFest Planning Committee needs *your ideas* on how to move forward. For 4 years, from 2006 to 2009, the Our Ramara Coalition, through the Our Ramara FunFest Planning Committee, produced a family-friendly festival. The festival faced ever-declining attendance and lost money the last 2 years. There was also an increasing absence of volunteer involvement.

The Our Ramara Coalition has decided not to produce another festival of this type. We have funds (approximately \$20,000) in our bank account from our previous festivals and we need to *hear from you* on ways to spend it and fulfill our goal of “Celebrating Our Community”.
